

GRUPO 34 MISION TIC

SOFTWARE SOLUTIONS GRUPO 5

Sprint 6

Browser window showing a web application at <https://localhost:5001/categories/edit/1>. The page displays a form for editing a category, with a text input field containing "PRUEBA EDIT" and a "Guardar" button. The browser's developer console shows a message: "debugging hotkey: ctrl+alt+o (when application has focus)".

Azure Data Studio window showing the database structure for "dbo.Categories_2". The left pane displays the "CONNECTIONS" tree, with "Tables" expanded under "MoviesMT (Auto Closed)". The right pane shows the table structure with columns "Id" and "Name".

Id	Name
1	Accion
2	Suspenso
3	Comedia
4	Ficcion
5	prueba
6	PRUEBA SPRINT 6
7	NULL

Browser window showing a web application at <https://localhost:5001/movies/create>. The page displays a form for creating a new movie, with fields for "Nombre película", "En cartelera", "Trailer de la película", "dó/mm/aaaa", "Sinopsis", and "photo". The "Categorias" section shows a list of categories: "Comedia", "Terror", "Ciencia Ficción", "Documentales", and "Comedia".
